

Harvest Time Child Development Center

Statement of Philosophy

Harvest Time Child Development Center encompasses a Daycare, Preschool, Day School, and Homeschool Umbrella Program which recognizes in the framework of democracy not only the right of a free, public-supported education for every child, but also the prerogative of a private education committed to the Christian ethic and high academic standards.

Christian education recognizes and teaches that all truth is from God and that the person of Jesus Christ must be the central theme in all learning processes of life because “all things were made through Him and without Him was not anything made that was made.” (John 1:3) Believing this, the purpose of Harvest Time Child Development Center is to offer a haven for parents who are dedicated to raising children according to God’s Word, who wish to provide quality care and obtain a quality education in a thoroughly disciplined, Christ-like atmosphere in which the Bible shall be the most important textbook. The Christian education program of Harvest Time Child Development Center will provide a true perspective of life, the world, and the universe as revealed in Holy Scriptures.

Through the cooperation of the daycare, school, church, home, and representative communities, we believe that each child must develop the spiritual insight, the academic integrity, and the emotional and physical strength needed for living his life as a responsible person and effective Christian, putting God first in all things and willingly submitting to those in authority. In Proverbs 22:6 it is written: “Train up a child in the way he should go and when he is old he will not depart from it.” Harvest Time Child Development Center is established to comply with that directive from God.

Harvest Time Child Development Center uses A Beka Curriculum for all its classes (Homeschoolers excepted but still recommended to use A Beka) and is committed to hiring only those caregivers and teachers with experience to care for and teach children.

NONDISCRIMINATION POLICY

Harvest Time Christian School admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of the school. It does not discriminate on the basis of race, color, or national and ethnic origin in the administration of its educational policies, admission policies, scholarships, or athletic and other school administered programs. Students meeting educational and behavioral criteria are accepted irrespective of their church background, race, or nationality.
